To Whom It May Concern:

I have to write and tell you how happy I am with the total job that NHance did in my house. From the sales team to the actual workers, it has been the best home project experience I have had.

It is rare that someone comes out and takes time to demonstrate their product to the extent that Dave Lantow did. I knew immediately that I wanted my cabinets done and what a fine job they did. They look absolutely new. This happened after two years of my trying to decide what I would do to upgrade my kitchen and I looked at all ways to do it. Then the Home Depot people suggested I have NHance out and give their wood renewal product a chance which is what I did. It saved me thousands of dollars by not replacing or having my cabinets sanded down.

I am one happy customer.

Sincerely and thank you NHance,

Carol Flores
